_____
_____

1. Please attach an additional sheet if more room is needed to describe the project.
2. If the project is funded, please write a quick email letting the BEF know how the funds contributed to your classroom.
3. Projects will be funded based on the following priorities:
    a. The creative and innovative nature of the program.
    b. The expected impact on our classroom and the process of education.
    c. The expected long-term impact on the children and the enrichment of their educational experience.
    d. Priority will be given to teachers who are contributing to the Foundation.
4. Are other teachers who contribute to the Foundation willing to support this project?
