Blackfoot School District Child Find Announcement

Blackfoot School District, in cooperation with parents and nonpublic school agencies, engages in Child Find services throughout the school year. Child Find activities are conducted (1) to create public awareness of special education programs, (2) to advise the public that students who qualify for services have the right to a free appropriate public education (FAPE) and confidentiality protections, and (3) to alert community residents that a process exists for identifying and serving children with disabilities from the age of 3 through the semester in which they turn 21.

If you know of a child who is 3 through 21 years of age who may have individual needs that result from disabilities or developmental delays, and who is not enrolled in a school program, please contact Lynette Carter, Special Education Director and 504 Coordinator at 208-785-8835, or the school district office at 208-785-8800. These children may have difficulty walking, talking, hearing, or learning, or may display behaviors that appear different from other children their age.

If you are part of a community agency or civic group that would like more information about educating children with disabilities, please call the school office or one of the above phone numbers.
