Do you have concerns about your preschool child's development?

Appointments are needed

Please call Shirley at **785-8835**

The Blackfoot School District engages in Child Find services throughout the school year. If you have concerns about your preschool age child's development, this opportunity will provide screening for motor, cognitive, language, and hearing abilities for preschool age children who are between 3-5 years old.

If your child has difficulty walking, talking, hearing, learning, or displays behaviors that are concerning, please call for a screening appointment.
