The screenshot shows a web browser window with the URL `idcloud1.infinitecampus.org/campus/nav-wrapper/parent/portal/parent/message-center`. The page features a green header with the Infinite Campus logo. A dark sidebar on the left contains a menu with the following items: Message Center, Today, Calendar, Assignments, Grades, Grade Book Updates, Attendance, Schedule, Responsive Schedule, Academic Plan, Fees, Documents, and More. The main content area is titled "Message Center" and includes tabs for "Announcements" and "Inbox". Below the tabs, a blue bar displays the text "No Announcements." A green arrow points from the text "You must click 'More' to access the online registration page." to the "More" option in the sidebar menu.

You must click "More" to access the online registration page.

Once you have clicked on “More”, you should see the following page:

Click the “Online Registration”
Link to begin the process.

You now have arrived at the page which shows the students linked to you as a parent or guardian. Once you click “Begin Registration” the program will take you through the process of verifying or inputting the needed information. YOU WILL NOT NEED TO FILL OUT ANY PAPERWORK ONCE THIS IS COMPLETED FOR YOUR CHILD(REN). You will also receive an email informing you that the process has been submitted successfully.

Advice: Any item which has a red asterisk “*” must be addressed. If an item does not have an asterisk, then it is not required for registration. Toward the end of the process, you will be provided two links, one for school board policies and the other for our technology acceptable use agreement. **These two links must at least be clicked in order to continue the registration process.** If you fail to at least click each of those links, you will not be allowed to continue.

Welcome to Online Registration. You will see the household, parent/guardian and emergency contact information and will be able to change it if necessary. Press the Begin Registration to continue
