

UPDATE – June 3, 2021

Parents & Patrons,

Please be advised this will be the SHORTEST update you have received from me in the past 15 months. Hey, my wife might even read the whole thing (Love Ya Dear!!!).

WE DID IT!!

The final day of the school year has arrived. I am so proud of the Blackfoot School District and what we have accomplished this year. IT HAS BEEN HISTORIC!!! I look forward to sharing more at a later date.

THANK YOU, ADMINISTRATORS, TEACHERS, EDUCATIONAL SUPPORT PROFESSIONALS, AND ALL OTHER STAFF MEMBERS!!!! You have done the impossible!

THANK YOU, PARENTS!!!! You have been tasked with more than ever before, and we appreciate your support!

Last, but for sure not the least, THANK YOU, STUDENTS!!!! You have been more resilient than I ever could have imagined. You are the reason we do what we do, and you have overcome so much. You have shown us what can be accomplished if you want it bad enough.

Recently a short saying was shared with me:
“A piece of coal that does well under pressure becomes a diamond.”

In the past 15 months, the Blackfoot School District and the community of Blackfoot have become diamonds.

THANK YOU!!!!!!
&
GOD BLESS!!!!!!

Sincerely,

Brian Kress
